Conditions and Agreement for use of Tennis Court/Basketball Court Outside of School Hours

1. Access can be granted to families of children from the school by the provision of a code by the principal or delegated staff member.
2. This agreement must be with you when using the court.
3. Children cannot be left unsupervised at the court. A parent must be present at all times.
4. The code issued will only be functional for the calendar year in which permission is granted. As the lock code is changed yearly, a new code has to be applied for in each calendar year.
5. Friends and family attending with school families who have paid for use of the court is permitted however, the code should not be provided to other people.
6. Hours of use on weekdays are between 3 pm – 6 pm. Hours of use on weekends are between 7 am – 6pm.
7. Townsville South State School After-School Care has priority on the use of the court and the court must be vacated if they require the use of this facility for their program.
8. Access to the tennis court is only via Macrossan Street through the pedestrian gate and no other part of the school grounds is to be entered (except in the event of collecting a ball).
9. The school drinking taps are not to be used (as this would mean entering the school) and therefore it is recommended you bring your own drinking bottle.
10. Users of the court should conduct themselves appropriately and not be disruptive to the local community when using the court.
11. In the event of another group waiting to use the court, it should be vacated if you have already exceeded 1 hour of use.
12. Permission to use the Tennis Court/Basketball Court Outside of School Hours can be revoked by the principal in the event of inappropriate use of the facility, inappropriate conduct, ongoing inappropriate behaviour of the child during school hours, any breach of this agreement or at the principal's discretion. In this case, a new code will be reallocated to all families. Please be aware that using the Tennis Court/Basketball Court without permission of this agreement is considered trespassing.
